

IT'S FAMILY PORTRAIT TIME

If you have been thinking about having a fine family portrait created soon, **now is the perfect time!** Occasionally, we make our family portraiture available at a reduced fee. This is one of those rare times.

Just in time for Christmas Gift Giving

Save 10% on your family portraits in the month of September!

Be one of the first 50 to call, just to chat about a portrait session (no cost, no obligation) and I'll rush you a certificate that will save you 50% off the creation of your family portraits with me.

We have been photographing families for over 25 years. Our specialty is fine family portraiture for the more discriminating members of the community.

I look forward to personally working with you and your family and creating a very special, meaningful portrait for you!

Call today to schedule, your family portrait session
