# Media Event a Great Opportunity to Cheer on Your Favourite Personality

Are you the fan of a certain person's radio voice or newspaper article? If so and you'd like the opportunity to cheer them on as they shake their pan with furry, then the media event is for you. Last year's Champion Melanie Robinson, Reporter with the NE News, is returning to defend her 2007 championship. Melanie is one classy gal, a great example of 'if you try it once you'll be hooked', and a spirited champion at that. After attempting gold panning in the media category for the first time in 2007, and then taking her first media title, Melanie found the courage to enter into the Class "B" event. While Melanie didn't walk away with that title, she left a lasting positive impression on all of those who watched and cheered her on.

Let's not hand the trophy to Melanie just yet though. I'm sure 100.1% Moose FM's Ted Sloan is saying, "Hey, I was right on her heels!" Ted also competed with spirited enthusiasm, placing second in the media category and then also trying his hand in the Class "B" event as well. If you've ever been around Ted you know he brings and creates a playful energy, and Taylor's championships have certainly enjoyed his presence.

So come on out and cheer on your favourite media personality. 100.1% Moose FM will be reporting live from the event and the cameras are usually capturing the event for TV, so you just might end up a media personality yourself!
